

Terms and Conditions for AI for Industry™ Programme

1. Personal data

By agreeing to these terms and conditions, you consent to AI Singapore collecting your personal data for the purposes of managing and administering the Programme, examination and certification and disclosing your personal data to NUS partners and service providers, certification awarding bodies, examination agencies and funding agencies on a need to know basis.

2. Payment

2.1. Your registration will only be confirmed upon receipt of full payment of the course fees by AI Singapore.

2.2. Payment of course fees can be made via PayPal only and is non-refundable.

3. Course Confirmation

3.1. The course confirmation is subject to your declaration that:

- a. You have made the correct payment of the full course fees based on whether you are a Singapore citizen /permanent resident or others.
- b. You have agreed to provide, upon request by AI Singapore, your personal identification card for verification purposes, at any time.

3.2. AI Singapore reserves the right to immediately withdraw your registration and revoke your access to AI Makerspace, related course materials as well as your course certificate (if it has already been issued), if any of your declarations under 3.1 is found to be false and you will not be eligible for any course fee refund from AI Singapore.

4. Changes and Modifications

AI Singapore course schedules including course content, course fees and course availability are subject to change from time to time.

5. Completion of Course and Issuance of Certificate

The Certificate will be issued to participants who have successfully completed each part of AI for Industry (AI4I) quizzes on AI Makerspace within the programme period.

The name reflected in the certificate for each of the registered participants will be exactly the same as the name provided by you during registration to the course. No changes to the name on the certificate will be entertained unless you produce a formal legal document to process such request.
